OVERVIEW

Message Of The Day

LinkHelp

Welcome to the JKO Virtual Classroom

VCLASS has been updated to a new version.

All users will notice the new banner, new color scheme, and some changes to tools. For Instructors, please be sure to look at the new tabs in the "Site Info" tool. The "Manage Participants" tab is used to assign user roles for your course.

JKO provides continuous, career-long development of joint knowledge and joint readiness for individuals, staffs, Combatant Commands, Combat Support Agencies, and the Services.

The JKO Virtual Classroom (VCLASS) provides an interactive online classroom environment for instructors and students. Courses are typically composed of a series of modules scheduled over a period of days or weeks. The classroom mirrors the classroom learning environment used at most academic institutions. Courses may be linked to JKO LMS courses at the instructor's discretion to track course completions in the student's training history.

To view a list of courses that you can join, click "Membership" in the left side menu. When the "MEMBERSHIP" page is displayed, join a course by clicking the "Join" link displayed beneath the course name.

Sign up for other courses in the JKO Virtual Classroom is managed by the instructor. Contact the course instructor for more information.
