Application for EJPME
GATEWAY Online Class 24-01
Deadline for application and command's Data Sheet: 27SEP2023

INSTRUCTIONS: Review all information and complete. Commands must send individual applications and combined Student Data Sheets to the GATEWAY Online Course Manager prior to application deadline. Service members cannot submit their own application; they must be routed through the command to the nominative E-9 level. Seats are limited.
*There are Saturday synchronous sessions each week of the course; they run for 1.5-2 hours.

SECTION I: Applicant Information

Rank, Last Name, First Name	Service
Duty Assignment Title	Command / Agency (spell out acronyms)

SECTION II: GATEWAY Online Eligibility

☐ I am an E-7 Service Member.   ☐ I am an E-6 Service Member.

☐ I have completed EJPME I via JKO (no exceptions)   DATE OF COMPLETION:

*Note: Order of enrollment priority: 1) Service Members currently serving in or enroute to a Joint billet assignment (eg: Sailor assigned as J2 NCOIC for NORTHCOM) (2) Service Members not in "joint" billet, but working in a joint environment (eg: Marine in Marine unit, but working with other services and state partners) (3) Service Members who do not work in a joint environment (Airman working as Technician assigned to a Squadron)

Service Member Priority Level
☐ Joint Billet (STOP: Data Sheet ☐ Working in joint environment   ☐ No joint affiliation
   Only; route through command)
☐ I understand this is a pilot course and that my feedback is essential to bettering the course for future GATEWAY Online Students. I will provide detailed and honest course feedback on -of-course, and 6-month post-course surveys.

☐ ***I do not have a deployment or PCS date that will impact the dates of my GATEWAY Online course attendance. I am not leaving military service within 1 year of course completion.

☐ I acknowledge that this course is in addition to my duty assignment responsibilities and will require me to participate in synchronous learning sessions outside of normal duty hours.

☐ Upon receipt of enrollment confirmation and participant guide, I will create a VClass ID and provide it to the GATEWAY Online Course Manager (contact information below).

SECTION III: Read Aheads
If enrolled into GATEWAY Online, individual preparation will be essential to each Student's individual learning and contribution to the group. GATEWAY Online students should be familiar with the following documents. Documents are posted in the Resources in GATEWAY Online unless otherwise noted.

"National Security Strategic Guidance"
"National Defense Strategy"
"National Military Strategy" [Classified Version: SIPR Only]
"The Noncommissioned Officer and Petty Officer: Backbone of the Armed Forces" (NCO/PO Handbook).
"Unified Command Plan" Found on NIPR, or available by request through official military email only.
SIPR ONLY: "Joint Warfighting Concept"

SECTION IV: Certification
I have read and understood the above information. I acknowledge that completion of this application does not guarantee a seat in the GATEWAY Online course date requested and I may have to attend subsequent iterations of the course.

Applicant Digital Signature	Date

SECTION V: Command Certification*
The command is aware the Service Member listed above is applying to the GATEWAY Online course and that the service member will be removed if they fail to meet the requirements as outlined. The service member is sitting in or enroute to a joint billet assignment.

Command/Agency POC Name	Rank, Duty Position
	*Nominative E-9 or above, or designee
Signature	

Individual Applications and Command / Agency Combined Data Sheets can be sent to:
*All applicants for a Command / Agency must be listed on Data Sheet to ensure course diversity and equitable distribution of seats should seats become limited.
